WASHINGTON FAMILIES
Standing Together

I pledge to work to retain the domestic partnership law. I believe that the domestic partnership expansion bill of 2009 should be retained because it provides important protections to Washington families. I pledge to talk to my friends family and neighbors about the importance of voting to approve referendum 71.

The question on the November ballot will be: Should this bill be approve or rejected? **VOTE: APPROVE Referendum 71** to protect all of our families.
